Stewart Home School vs. Farmdale Water District

Our bill has increased thousands of dollars a  
month. The Board of Farmdale has not been  
cooperative with me. They finally said they  
can only discuss if we file a complaint. We have  
been in business 122 years. We cannot pass 60%  
cost increases to our parents.

Wherefore, complainant asks that a meeting be held to  
(Specifically state the relief desired.)

discuss why the exorbitant rate increase  
was allowed to be passed with no input  
from the lowest water consumer in the  
Farmdale District.
